

CUDA MODEL 2518 TOP LOAD PARTS WASHER

The 2518 is the top of the line in the Cuda top-load parts washers. Built to withstand the harsh demands of everyday use, it comes standard with a time-tested chain drive assembly and a virtually maintenance-free sealess pump. Extra-easy access to the sump and removable debris screen set it apart from other top-loaders on the market. The Cuda 2518 Series has a 500-lb. load capacity, a 25-inch turntable diameter and 18-inch working height.
