

Zerust[®] ICT[®] VCI Kraft Paper

TECHNOLOGY THAT PROTECTS AGAINST CORROSION

PRODUCT INFORMATION

Zerust[®] ICT[®] VCI Paper is a high-quality kraft paper that is saturated on both sides with Zerust corrosion inhibitors. The product integrates packaging materials with powerful vapor corrosion inhibitors for ferrous metals, non-ferrous metals, and multimetal parts. Test before use on copper and brass.

Ship, Store, and Protect with One Product

Save time and money with Zerust ICT VCI Paper. It provides effective corrosion protection in the affordability and convenience of a paper wrapping product. Use Zerust VCI Paper in interleaving applications and to wrap metal materials for shipment or storage. Use in any application where a packaging paper and corrosion protection is needed.

Proven Protection, Economical, and Sustainable

Zerust VCI Paper is acid-free, pH neutral, and non-abrasive. It uses proven Zerust corrosion inhibitors that are odorless, non-toxic and leave no residue. The paper is sourced from responsibly managed forestry product suppliers. The product is fully recyclable and repulpable. Paper is manufactured in the USA without bleaching agents, and in facilities powered by bio-fuel and hydro-power.

FEATURES

- Proven corrosion protection
- Dual-sided protection
- Acid Free and pH neutral
- Economical protection
- Non-abrasive
- Fully recyclable
- Paper from responsibly managed forests

BENEFITS

- Reduces corrosion incidents and rework
- Improves shipment yield rates
- Comes with Zerust global on-site support
- Conserves natural resources

The green leaf highlights how this product reduces, reuses, or recycles to protect natural resources.

Use affordable Zerust ICT VCI Paper in any application where you currently use plain paper or a competitor paper. Zerust VCI Paper has advanced Zerust protection and expert customer support at a winning price.

ORDERING INFORMATION

■ AVAILABILITY/PART NUMBER

36" x 200 yard rolls: 300-M-00005
48" x 200 yard rolls: 300-M-00006
Also available in cut sheets. Please call for size and price information.

■ WEIGHT

Stock: High-quality 30#, 35#, 40#
Upon request, available in weights between 24# and 170#.

■ COLOR

Natural kraft brown with printing.
Custom printing available.

■ PROTECTION TYPE

Multimetal corrosion protection. Test before use on copper and brass.

■ PROTECTION LIFE

1 year protection life when properly packed and stored indoors or under shelter.

■ SHELF LIFE

Shelf life of 1 year if stored at 85° F (29° C) or less, out of direct sunlight and in original packaging.

OTHER PRODUCTS AVAILABLE

ICT® 500 Series: Packaging Films

Our most widely used series of products. A variety of films offer short or long-term corrosion protection for parts and equipment during storage or shipment.

ICT® 600 Series: Rust Removers

Highly effective rust removers for light to severe rust removal. All ICT®600 series rust removers are non-toxic, non-hazardous & non-corrosive.

ICT® 700 Series: Liquid Additives and Coatings

Temporary corrosion protection for parts in-between production processes, during storage, or for added protection to the ICT® 500 series products during ocean shipments.

ICT® 800 Series: Diffusers

Self-contained, portable products that diffuse Zerust® ICT® chemicals to protect metals within enclosures, such as tool boxes, electrical boxes, etc.
